I have the honour to state that I was released on parole for one month to attend on my ailing wife. She has not improved. Malaria and anaemia still persist. The Doctors have advised me to remove her to some other place where she could get proper treatment as in Hospital as malaria she requires about 2 months to recover for the present ailment. If she is not removed from Hospital to some dry place and complications may set in and her health will be permanently shattered.

My widowed sister Saradamma is suffering from heart trouble and blood lessness. She is also suffering from intestinal troubles She is bedridden for the last 4 or 5 months Her condition is serious and she requires urgent treatment. There is no body to attend on these two persons.

To enable me to attend on these two persons I require atleast two months. I therefore request you to extend my parole by two months more. I hope favorable orders will be passed as expeditiously as possible. If favorable orders are not passed by 7th of July I will have to go back to Jail.

I undertake not to take part in

any political or anti-government activity as long as I am on parole.

I applied for extension of parole for two months, but unfortunately granted only a month.

My wife still continues to be ill. She is having temperature in the evenings. She is weak and bloodless. Besides there is another complication; she is having uterine bleeding. Local doctors advise me to shift her to a better place for a better treatment.

My niece in Harpanahalli continues to be in the same condition. These two cases need my presence here. I must arrange for their treatment urgently. I could not do it till now because of the short time and my illness. Even now I feel weak. I could not move out of Hospl.

I have now to arrange for their treatment which may continue for about two months. Please therefore grant me extension of parole for two months more. I undertake to abide by all the conditions governing the granting of parole.

Please reply before 7th of August.
